### **PAPER PRESENTATION EVENT**

"Unleash Your Technical and Presentation skills on Single platform"

#### **DESCRIPTION :**

Here is an amazing opportunity to showcase your ideas on an unique platform in the form of integrated and intriguing presentation. It strive to inquisitiveness of young minds by giving their incredulous ideas in a definite direction.

A lot of people may think up good ideas, but what they think usually ends up confined to themselves alone and they never get a real world evaluation of their innovative ideas which could lead them to a path of success and fame. Providing an opportunity for student researchers to disseminate their latest research results in various fields of engineering, we present the Paper Presentation event. This event will be an excellent platform to showcase your original ideas and comprehensive technical research and exchange views on the future research directions in various fields of science and engineering.
