

# AADHRITA 2020

## MVGR COLLEGE OF ENGINEERING (A)

### ANKUR

-The future entrepreneurs

#### EVENT DESCRIPTION:

Ankur is a business-plan event. It's an amazing opportunity for young and challenging entrepreneurs to show case their ideas or talent which helps them to judge their performance level.

#### NUMBER OF ROUNDS:

**ROUND 1:** This round will be a written test. The test is based on basic management courses. Teams that clear the knockout stage will move to the next round.

**ROUND 2:** This round will be a poster presentation round. The team should describe the idea of business plan within a stipulated given time.

**ROUND 3:** This final round consists of teams who are qualified. This round is a power point presentation round about business plan. Here the finalist should present entire details about the business plan in depth.

#### RULES FOR THE EVENT:

- The maximum team should consist of two members.
- The members for the team may be from different colleges.
- Any number of teams can participate from same college.
- No two teams should have any common members.
- The teams must submit their presentation in MS Power point.
- A team can make submission only on one topic.
- Each team must mention name of the topic, team name, college name, team members on the first page of the business plan.
- The team can use pictures, info graphics in their business plan. However, we would appreciate that if you put relevant sources in Appendix.
- 

**REGISTRATION FEE: 200/-**

#### PRIZE:

**Win exciting prizes and E-certificates will be given for all the participants.**
