PAPER PRESENTATION EVENT

"Unleash Your Technical and Presentation skills on Single platform"

DESCRIPTION :

Here is an amazing opportunity to showcase your ideas on a unique platform in the form of integrated and intriguing presentation. It strives to promote inquisitiveness of young minds by giving their incredulous ideas a definite direction.

A lot of people may think up good ideas, but what their thoughts usually end up confined to themselves and they never get a real world evaluation of their innovative ideas which could lead them to a path of success and fame. Providing an opportunity for student researchers to disseminate their latest research results in various fields of engineering, we present the Paper Presentation event. This event will be an excellent platform to showcase your original ideas and comprehensive technical research and exchange views on the future research directions in various fields of science and engineering.

NUMBER OF ROUNDS:

- Only one round for the event which will be finalized by judges.
  - Abstracts for the topics are to be sent to mail address before the deadline 14-02-2020 (topic for presentation are mentioned below).
- Send the abstract with the title of your paper as the subject of mail.

AADHRITA 2020
MVGR COLLEGE OF ENGINEERING (A)

- The shortlisted candidates would be informed personally either through phone/email and will have to present their paper during **AADHRITA** in front of a panel of judges.

- The shortlisted candidates will have to register for event participation.

- All the departments are eligible to participate (**Mech,EEE,ECE,CSE,IT, Metallurgy, Management studies etc**).

Topics:

- ☐ Artificial intelligence

- ☐ Climate emergency and engineers role in tackling it.

- ☐ 2020 emerging technologies that are shaping the future decade of humanity.

- ☐ Nanotech in every day life.

- ☐ Data protection and security in digital ace .

- ☐ Innovations in Biotech shaping the industry.

- ☐ Modern Agricultural problems and engineer's guide to solutions.

- ☐ Role of engineers in ensuring food security to upcoming new 500million population to India.

AADHRITA 2020
MVGR COLLEGE OF ENGINEERING (A)

- ☐ Causes of cyber crimes and preventingmeasures

- ☐ 3 Rs(reduce, reuse, recycle)

- ☐ Human computer interaction and it's future

- ☐ Technology and innovation

- ☐ Role of digital identity in coming decade

- ☐ Emerging trends in water conservation, how to ensure safe water to all urban and rural masses

- ☐ Smart grid and emerging technologies

- ☐ Public, private and academic partnerships

- ☐ Reverse engineering

- ☐ Corporate social responsibility towards brand building.

- ☐ Future of virtual marketing.

- ☐ Customer relationship management.

- ☐ Challenges in distributing services through electronic channels.

- ☐ Work life balance.

- ☐ Cross culture management.

- ☐ Impact of globalization/ internationalization on human resource management.

- ☐ Stock market life.

AADHRITA 2020
MVGR COLLEGE OF ENGINEERING (A)

- Mutual funds - emerging trends andfunds.

- How recent banking mergers is useful for economy togrow

RULES FOR THE EVENT:

- The paper should strictly follow standard IEEE two-column format (The format can be downloaded from the internet).
- The paper should be in PDF format, readable in Adobe acrobat reader.
- A team can consist of a maximum of 2 members, both must contribute in presentation.
- And first 3 winners have a cash prize decided by judges.
- Citing the references is MANDATORY.
- Only participants who qualify in the preliminary abstract submission round shall be eligible for the final presentation.
