AADHRITA 2020
MVGR COLLEGE OF ENGINEERING (A)

DHVANIPRATAPA
-Cascade of Sounds

EVENT DESCRIPTION:

Are you waiting for the day to let people hear your cascade of sounds? Then, this might be your right stage to let your dreams sound high. Dhvanipratapa is a perfect platform where the loudmouth, the screaming, the head banging, and the mass venting and music has its whole new definition here. Come and let your sounds be the part of the Dhvanipratapa.

NUMBER OF ROUNDS:

- Only one round

RULES FOR THE EVENT:

1. Registration fee is 800/- per team.
2. Drum kit (basic) and keyboard (Yamaha E-453) will be provided at the venue.
3. All the equipment must be taken care of themselves. We will provide rooms for the equipment and we cannot assure any security for the equipment.
4. Sound check time will be given to each team is around 10-15 minutes and the total time given for each team is 30 minutes.
5. Since the event is pre-scheduled, each team should be on the stage at their prescribed time slot. No further chance is given if the slot is missed.
6. No participants from outside the representing college is encouraged and can be asked for proofs if required.
7. For additional requirements, team should inform the event coordinator prior to the event.
8. Winner will be given a chance on the stage on the final day.
